SUGAR FREE

Yellow #2 Sugar-Free Pouch

Two sugar substitutes with salt, pepper, straw and napkin.

Medd Max item #	**YK2S250**
UPC-A (each)	**810028474734**
Kits per case	250
Pieces per kit	6
Packaging	Clear pouch with yellow #2 and Sugar Free markings
Case dimensions (L×W×H)	15.875 × 9.875 × 11 in
Case weight	6.33 lb gross / 5.62 lb net
Cases per pallet	on request
Availability	Accepting preorders · first stock December 15, 2026

Kit contents

QTY	COMPONENT	
2	Sugar substitute	1 g
1	Iodized salt	0.5 g
1	Pepper	0.1 g
1	Flex straw	7.75", clear
1	Napkin, 2-ply	12.5" × 15.5"

Who it is for

This is the yellow pouch that goes on a diabetic tray when the kitchen does not set cutlery in the kit. Two sugar substitutes instead of sugar, plus salt, pepper, a flex straw and a napkin, so the tray aide grabs one thing and the tray card matches. 250 to a case; most 120-bed buildings go through two to three cases a week.

Ordering

25-case minimum per order, mixed SKUs allowed. Net 30 on approved credit. Ships from the Medd Max warehouse direct or through your distributor. Private label and custom component mixes available.

Kit contents

QTY	COMPONENT	
1	Sugar substitute	1 g
1	Iodized salt	0.5 g
1	Pepper	0.1 g

Who it is for

Condiments only for the sugar-free diet: one sugar substitute, salt and pepper in a yellow-marked pouch. For kitchens that already stock their own cutlery and napkins and just want the diet packets sealed together so nothing gets mixed up at the line. 1,000 to a case.

Ordering

25-case minimum per order, mixed SKUs allowed. Net 30 on approved credit. Ships from the Medd Max warehouse direct or through your distributor. Private label and custom component mixes available.

LOW SODIUM

Gray #2 Low-Sodium Kit with Seasoning

Salt-free seasoning in place of salt, with two regular sugars.

Kit contents

QTY	COMPONENT	
2	Sugar	2.5 g
1	Salt Free Seasoning Blend	0.4 g
1	Pepper	0.1 g

Who it is for

The gray kit for low-sodium trays where the salt packet is replaced by a salt-free seasoning blend, so the resident still has something to shake on the food. Two regular sugars and pepper come with it. Popular with cardiac units and dialysis days. 1,000 to a case.

Ordering

25-case minimum per order, mixed SKUs allowed. Net 30 on approved credit. Ships from the Medd Max warehouse direct or through your distributor. Private label and custom component mixes available.

Kit contents

QTY	COMPONENT	
2	Sugar	2.5 g
1	Pepper	0.1 g

Who it is for

The plain low-sodium condiment pouch: two sugars and pepper, no salt, gray marking. This is the one most order guides listed as the default 2-gram sodium kit. 1,000 to a case, no cutlery, no napkin.

Ordering

25-case minimum per order, mixed SKUs allowed. Net 30 on approved credit. Ships from the Medd Max warehouse direct or through your distributor. Private label and custom component mixes available.

2	Sugar	2.5 g
1	Pepper	0.1 g
1	Flex straw	7.75", clear
1	Napkin, 2-ply	12.5" × 15.5"

Who it is for

A full low-sodium place setting in one pouch. Heavyweight knife, fork and spoon, two sugars, pepper, flex straw and napkin, gray band, no salt. Used where the tray line wants one pick per tray and the diet office wants the salt kept off cardiac and renal trays. 250 to a case.

Ordering

25-case minimum per order, mixed SKUs allowed. Net 30 on approved credit. Ships from the Medd Max warehouse direct or through your distributor. Private label and custom component mixes available.

LOW SODIUM + SUGAR FREE

Orange Low-Sodium / Sugar-Free Condiment Kit

Availability	Accepting preorders · first stock December 15, 2026

Kit contents

QTY	COMPONENT	
1	Sugar substitute	1 g
1	Pepper	0.1 g

Who it is for

Orange is the double restriction: no salt and no sugar. This condiment-only version has one sugar substitute and pepper. It covers the diabetic resident who is also on a sodium restriction, which in long-term care is a large share of the census. 1,000 to a case.

Ordering

25-case minimum per order, mixed SKUs allowed. Net 30 on approved credit. Ships from the Medd Max warehouse direct or through your distributor. Private label and custom component mixes available.

LOW SODIUM + SUGAR FREE

2	Sugar	2.5 g
1	Iodized salt	0.5 g
1	Pepper	0.1 g

Who it is for

The regular-diet condiment pouch, blue marked: two sugars, salt and pepper. Nothing restricted. It exists so the regular trays get the same sealed, color-banded pouch as the therapeutic ones and staff never have to guess which tray got what. 1,000 to a case.

Ordering

25-case minimum per order, mixed SKUs allowed. Net 30 on approved credit. Ships from the Medd Max warehouse direct or through your distributor. Private label and custom component mixes available.

1	Pepper	0.1 g
1	Flex straw	7.75", clear
1	Napkin, 2-ply	12.5" × 15.5"

Who it is for

A nine-piece kit with heavyweight white cutlery, napkin, flex straw, one sugar, one sugar substitute, salt and pepper. Because it carries both sugar and a substitute it is not diet-coded; it is the all-purpose kit for cafeterias, visitor meals, room service and buildings that want one SKU for everything. 250 to a case.

Ordering

25-case minimum per order, mixed SKUs allowed. Net 30 on approved credit. Ships from the Medd Max warehouse direct or through your distributor. Private label and custom component mixes available.

Kit contents

QTY	COMPONENT	
1	Heavyweight PP knife, fork & spoon	Black
1	Napkin, 2-ply	12.5" × 15.5"

Who it is for

Heavyweight black knife, fork, spoon and a 2-ply napkin, flow-wrapped and sealed. Black heavyweight is the usual choice for room service, assisted living dining rooms and anywhere the plastic has to look like real flatware on the tray. This is one of the first two kits landing in December. 250 to a case.

Ordering

25-case minimum per order, mixed SKUs allowed. Net 30 on approved credit. Ships from the Medd Max warehouse direct or through your distributor. Private label and custom component mixes available.

QTY	COMPONENT	
1	Heavyweight PP knife, fork & spoon	White
1	Flex straw	7.75", clear
1	Napkin, 2-ply	12.5" × 15.5"

Who it is for

Heavyweight white knife, fork and spoon with a flex straw and 2-ply napkin. The flex straw makes this the standard cutlery kit for skilled nursing and rehab trays, where a lot of residents drink through a straw. 500 to a case, and one of the first two kits landing in December.

Ordering

25-case minimum per order, mixed SKUs allowed. Net 30 on approved credit. Ships from the Medd Max warehouse direct or through your distributor. Private label and custom component mixes available.

Kit contents

QTY	COMPONENT	
1	Mediumweight PP knife, fork & spoon	White
1	Napkin, 1-ply	12.5" × 15.5"

Who it is for

Mediumweight white knife, fork, spoon and napkin. Lighter and cheaper than the heavyweight kits, and the usual choice for high-volume patient tray lines in hospitals where the cutlery goes straight into the trash with the tray. 250 to a case.

Ordering

25-case minimum per order, mixed SKUs allowed. Net 30 on approved credit. Ships from the Medd Max warehouse direct or through your distributor. Private label and custom component mixes available.

Kit contents

QTY	COMPONENT	
1	Compostable CPLA knife, fork & spoon	White
1	Napkin, 2-ply	12.5" × 15.5"

Who it is for

Compostable CPLA knife, fork and spoon with a napkin, for health systems with a compostables mandate or a sustainability line item in the RFP. CPLA holds up to hot food better than PLA. Packed 100 to a case because it is usually ordered for specific units rather than the whole building.

Ordering

25-case minimum per order, mixed SKUs allowed. Net 30 on approved credit. Ships from the Medd Max warehouse direct or through your distributor. Private label and custom component mixes available.

How to bring the line in

1. Send projections

Which kits, roughly how many cases a month, ship-to state. Email david@meddmax.com or use the form at meddmax.com/kits. We confirm a production slot for your volume and send distributor pricing.

2. Cross-reference

Send the item numbers you buy today, from any manufacturer or distributor. We return a line-by-line Medd Max match with any component differences noted. A reference table for the most common discontinued item numbers is at meddmax.com/resources/diet-kit-item-number-cross-reference.

3. Samples

Sample cases for tray-line trials at no cost to qualified accounts.

Vendor setup

GS1 company prefix 810028. Each-level UPC-A on every kit. We supply your new-item template with case specs, weights, dimensions and images, one tab per SKU, plus W-9, certificate of insurance, FSVP program and component specifications on request.

Terms

25 cases per order, mixed SKUs. Net 30 on approved credit. Pallet and truckload programs available. Free shipping on orders over $350 in the contiguous US; see meddmax.com/returns.

Private label

Your brand on the pouch, or a custom component mix for a health system's diet manual. About six weeks by air, three months by sea.
